

# PRIYADHARSHINI T

## Data Analyst

Coimbatore | [priyadharshini01t@gmail.com](mailto:priyadharshini01t@gmail.com) | [Github](#) | [LinkedIn](#)

### PROFESSIONAL SUMMARY

Artificial Intelligence and Machine Learning graduate with hands-on experience in Python, SQL, software development, and data analysis. Currently working as a Software Trainee with practical experience in application development, debugging, deployment, and version control. Passionate about solving real-world problems and continuously learning new technologies.

### ACADEMIC QUALIFICATIONS

B.Sc.AIML | Sri Krishna Arts And Science College | Coimbatore | CGPA - 8.0 - 2026  
HSC | St. Aloysius Higher Secondary School | Dharapuram | 80% - 2023

### EXPERIENCE

#### Software Trainee experience

- Contributing to enterprise software development, application maintenance, and deployment activities.
- Supporting debugging, Git/GitHub version control, automation, and application monitoring.

#### Data Analyst Intern

2025 (MAY)

- Completed a one-month Data Analyst internship.
- Gained hands-on experience in data cleaning, analysis, and visualization using Python.

### PROJECTS

#### AI Safeguard

2026

**Technologies:** Flutter, Dart, Firebase, Google Maps API

- Developed an AI-powered emergency safety application.
- Implemented AI voice-triggered emergency alerts.
- Enabled real-time location sharing with offline and online support.

#### Exploratory Data AnalysisProjects on Various Datasets(FIFAnalyzer)

2025

**Technologies:** Python, Pandas, Matplotlib, Google Colab

- Cleaned and preprocessed real-world datasets.
- Performed exploratory data analysis to identify trends and patterns.
- Created visualizations and generated analytical insights.

#### Developed the 2048 Puzzle Game using Pygame in Python

2024

**Technologies:** Python, Pygame

- Developed the classic 2048 puzzle game using Python.
- Implemented game logic, score tracking, and a graphical user interface.
- Applied object-oriented and event-driven programming concepts.

### SKILLS

#### Technical Skills:

- Languages: Python, SQL
- Libraries & Tools: Pandas, NumPy, Matplotlib, Git, GitHub, Flutter, VS Code

#### Soft Skills:

- Problem Solving
- Communication
- Critical thinking

### ADDITIONAL INFORMATION

- Certifications:** Generative AI (GDC) , Oracle Autonomous Database Cloud , Developing Soft Skills and personality, Body Language: Key to Professtional Success
- Languages:** English, Tamil.
